

**STRONGER  
TOGETHER**

**PRIME  
EQUIPMENT GROUP**  
*Simple Solutions for Poultry Processing*

## Prime Turkey Cone Line

DCL-T-Series

**Prime Turkey Cone Lines** offer the ideal platform for semi-automating turkey front-half cut-up, allowing maximum product efficiency by indexing front-half speed to ensure consistent worker productivity. Prime Equipment Group can configure single- or double-lane cone lines to any specification for width, height, length, and include integrated product conveyors for ease-of-use. Simple and durable, Prime Turkey Cone Lines are the centerpiece for semi-automating turkey cut-up with Prime's complete processing solutions.
